Block all squares using same method as with Winnie's Flower square, start by pinning the centre square, then the mesh area, then the outer edge. Do not over stretch!

Approx.. size:

Double knit with 4mm hook - 9 inches/23cm

Aran with 5.5mm hook - 11 inches/28cm

Continue for joining.....

Join 1 square to each end of short side panels, using whip stitch as before.

Join long side panels using same method to form a rectangle.

Hint: make sure as you join the panels together ROW 1 of panels is right side up and facing centre/inside of rectangle.

Joining panels to main piece.

This join will be a surface slip stitch join.

Hint: Although I am normally a pencil hold girl... I find it much easier to switch to knife hold to do this join.

Ensure your yarn is under your work at all times.

Continue.....

With right sides up, start in any corner, working in back loops only, place hook through back loop of corner ch space of Alana square and back loop of ch-2 corner space of main piece, pick up loop and pull through both loops, [P1,2,3,4]

Place hook through back loops only of next 2 sts, yarn over and pull through all 3 sts, making a sl-st,
Continue working through matching sts on both pieces across to next corner, do not make a st through corner spaces of middle Eileen square or in join. [P5,6]

Hint: make sure you do not skip the 1st and last st of panels [marked sts].

At corner the last st will match with marked st of panel, match corner to corner and 1st sts will match on panel and next side. [P7,8,9]
