### Special Stitches

There are no special stitches in this part... “phew” I hear you say.

I just wanted to mention “starting stitches” versus “chain starts” when moving up into a new round.

If you are happy to carry on with a chain start, then please do.

However if you would like your work to look more consistent, and not have that “skinny” stitch that the chain gives, then please learn how to make a starting stitch.

You can find the links on this weeks blog post.

*Hint: in this round you will be making long stitches, please pay careful attention to how many turns around your hook to start each stitch, and which round the stitches are made into.*

*For more information refer to Special Stitches.*

*Hint: the long stitches need to sit flat on your work and pull very slightly, if your tension is tight you may need to add an extra turn around the hook to lengthen the stitch, or if your tension is loose then use 1 less turn around the hook. Remember to roll your hook as far down as you can to keep the top loops as tight as possible.*

*Hint: you will have 2 chain spaces either side of the point at the back of your work, we will be using these spaces in the coming rounds.*

*Hint: In this round you will be working with 2 colours and carrying 1 colour behind the other, as you switch colours give the new colour a gentle pull to ensure an even tension throughout your work. Also ensure each stitch is made over the other colour to avoid loose loops at the back of your work.*

*This round is worked in both Rounds 64 and 65, do not accidentally count the 1st sc from Round 65 when working 1<sup>st</sup> fpdtr, which is made in the 2<sup>nd</sup> hdc of Round 64.*

**66.** \*Sc in next 2 sts after ch-4 space [R65], hdc in next 2 sts use colour 2 as you complete 2<sup>nd</sup> hdc,

*In this round you will be making fpttr2tog, which is a front post triple treble 2 together, 4 times around your hook, yarn over and pull up a loop, yarn over and pull through 2 loops 4 times, leaving 2 loops on hook, repeat for other leg of st and then yarn over and pull through all 3 loops. I know it looks like a bit of a handful, and it is quite easy to get way too loose, so take it slow and remember to roll the top of your stitches forward to avoid baggy tops! We also go back to using 2 colours in this round.*

69. Ch 1 and sc in same st,

\*hdc in next 6 sts, **use colour 2 as you complete 6<sup>th</sup> hdc**,

**fpttr2tog** 1<sup>st</sup> leg around 1<sup>st</sup> fpdtr and 2<sup>nd</sup> leg around the next fpdtr,

Stitch Count: Per repeat: 3 sc, 61 hdc, 11 fpttr2tog.

Total: 24 sc, 488 hdc, 88 fpttr2tog.

70. Using colour 2 ch 1, skip st with sl-st, hdc in next st,

\*(hdc in next 5 sts, **fpdc** around fpttr2tog) 11 times, **[take care not to miss that 1st sneaky stitch after the fpdc]**, hdc in next 6 sts, skip next st, sc through ch-1 point space **[R63]** and next st **[3<sup>rd</sup> sc]**, hdc in next st.\*

*On last repeat sc through R63 and R69 will be through 1<sup>st</sup> skipped st.*

Repeat from \* to \* 7 more times, omit last hdc.

Join to 1<sup>st</sup> hdc, fasten off, and secure all ends.

Stitch Count: Per repeat: 1 sc, 62 hdc, 11 fpdc.

Total: 8 sc, 496 hdc, 88 fpdc.

*Hint: Please leave the gap behind the point sections loose for now, it will be easier to secure them later if you wish to. Your work will curl forward at this point, but will become flat again after the next few rounds.*

WOW well done!! Here's a huge pat on the back from me :)

Now time to put your feet up and treat yourself to something nice :)

### The End.....

The only thing left for you to do now is to lightly block, your Mandala, which will open up the last few clusters and give you an even edge.

I hope you enjoy your Mandala Madness for many years to come.

And that is the end of our journey together.....for now!

I hope you have enjoyed making this Mandala as much as I enjoyed creating and designing it.
