Yarn amount per round

Copyright: ©Helen Shrimpton, 2023. All rights reserved. By: Helen at <u>www.crystalsandcrochet.com</u>

Meters/yards are given per square, please decide on the colours you will be using and then multiply by the number of squares you will make to work out the total amount of each colour you will need.

The amounts given here are for using Double knit yarn and a 4mm G hook.

If using Aran/Worsted weight yarn and a larger hook you will need at least 25% more yarn.
